BAKING SODA

- Baking soda is a natural deodorizer and cleanser. Adding it to laundry is a great way to gently clean your clothes to remove tough smells and stains.

HYDROGEN PEROXIDE

- Hydrogen peroxide can help you disinfect and brighten most surfaces.

LEMON JUICE

- Lemon juice really takes the leading role for laundry tasks, lightens stains and get whites back to white.

CASTILE SOAP

- A concentrated, vegetable-based soap. A natural alternative to bleach for sure.

White Vinegar

- Vinegar is great for a lot of things, and one of those includes replacing your bleach. It can disinfect, brighten your clothing and even help remove soap residue.
